MORE THAN A MEMBERSHIP

The people who love them most.

We invite the grandparents, aunts, uncles, and special friends who love our kids to join the PTA, become part of the **Grandparents & Special Friends Club**, and step into classrooms to help with reading.

They love to show up.
Nothing makes a child prouder than seeing their people walk through the door.

Right where it counts.
More caring adults beside our readers is exactly where our reading goal is won.

A club, not just a card.
Members belong to something, with a role, a badge, and real recognition.

★ **Make your whole family proud.**

HOW TO GET INVOLVED INSIDE →

HOW TO GET INVOLVED

Three easy steps.

1 Join the PTA.
Become a member online. It takes about two minutes, and it is just $20 a year.

2 Take the survey.
Tell us your skills and what you love, using our quick Join the PTA survey.

3 Reach out to Christina.
Text (251) 605-1436 or email christina@cg-co.com, and she will get you involved.

SAFETY FIRST

For every student's safety, all grandparents and special friends are approved by the child's parents before volunteering. We reach out to families for that approval, so everyone feels good about who is in the room.

WHERE YOU'LL HELP

Pick your spot.

- **Lunch Time Hero**
  Spend lunch connecting with students, and give a teacher a well-earned break.
- **Special events**
  Bring the fun at Fall Festival, Spring Fling, and our other big days.
- **Reading buddy**
  Sit beside our readers in the classroom, right where it counts.

NO EXPERIENCE NEEDED

We will show you the ropes and match you to what fits. All you bring is a little time and a lot of heart.

RECOGNITION

Earn your stars.

★ ★ ★ ★ ★

Every Grandparents & Special Friends volunteer gets a **badge**, just like our Lunch Time Heroes. Show up, and earn **stars for your lanyard** through our Star Program.

WEAR IT PROUD

Your badge and stars are a little thank-you the kids can see, and a big reason to keep showing up.

Make your grandkids proud. Show up.
