MARY B. AUSTIN PTA · VOLUNTEER

Grandparents & Special Friends.

Show up for the kids who love you.

We invite the grandparents, aunts, uncles, and special friends who love our kids to **join the PTA** and step into classrooms and events. More than a membership, it is a club with a role, a badge, and real recognition.

LUNCH TIME HERO

Spend lunch with the students and give a teacher a well-earned break.

SPECIAL EVENTS

Bring the fun at Fall Festival, Spring Fling, and our other big days.

READING BUDDY

Come read to your student's class and cheer on our young readers.

EARN YOUR STARS

A badge, and stars for your lanyard.

Every volunteer earns a **badge**, and earns **stars for their lanyard** the more they show up, through our Star Program.

Safety first: for every student's safety, grandparents and special friends are approved by the child's parents before volunteering. We reach out to families first, so everyone feels good about who is in the room.
